

Continuing Education Seminar

Friday, December 8

12:30 pm – 4:30 pm

Time Check Hall

City Services Center

500 15th Ave SW

Cedar Rapids

Lunch will not be provided.
Afternoon refreshments will be available during the break.

Please join us for the 2017 Continuing Education Seminar hosted by the Herbert Hoover Chapter of the Iowa Engineering Society!

This year's topics include:

- Considerations for Concrete Pavement and Flatwork
- Autonomous Vehicles
- Stormwater BMPs: A Panel Discussion
- Infrastructure for 5G Wireless Networks

Attendees of the seminar will earn 4 Professional Development Hours, just in time for License Renewal if your expiration date is December 31, 2017.

IES Members receive a discounted rate, but all engineers are encouraged to attend. Anyone who registers by December 1st can take advantage of the early bird rate. Please see the registration form for more details.

After December 1st IES Member _____ x \$85.00 = _____

After December 1st Non-Member _____ x \$100.00 = _____

Please send this registration form and a check payable to **Iowa Engineering Society** to:

Justin Humke

Braun Intertec

1901 16th Avenue SW

or

Pay by Credit Card at the event.

Suite 2

Cedar Rapids, IA 52404

Please reply by Friday, December 1, 2017 to take advantage of the early bird rate. Please do not mail registrations after this date. Registrations will be accepted at the door on the day of the seminar. Please arrive a few minutes early to register. Payment by cash, check, or credit card (via PayPal) is welcome at the event.

Please share this with others in your office. This is a great local opportunity to earn those last few PDH's before PE license renewals are due on December 31st.
